

Togetherness Cowl

A nubby texture gives this soft, unisex, reversible cowl interest while providing a well-constructed fabric that won't fold over in use. It makes a very special gift for someone who's loved, or who needs a lift (or both!). Two rounds make a straightforward K1, P1 ribbing, but the other two prevent it from folding in on itself, protecting purls between knits and knits between purls – just as we stand up for the people in our lives.
